Capital Expenditure Request

REVIEW, SUPPORT, AND APPROVAL TRAIL

Prepared for synthetic workshop use. Supporting references intentionally contain terms such as invoice, order, pricing, quarter, and payment so a classifier must consider the document's purpose rather than isolated keywords.

Role	Reviewer	Status	Date
Preparer	K. Diaz	Submitted	2026-08-19
Finance	Orthopaedics controller	Reviewed	2026-08-20
Compliance	Finance operations	No exception	2026-08-21

Retain this record with the referenced ledger support. It is not a sales contract, purchase order, quarterly financial statement, or vendor invoice.
